

Don't forget to add to your shopping list.....

Litter trays.... a style & size for every bunny bottom....

High sided

High back

Corner

An underbed storage box makes a great litter tray for multiple bottoms!

Bottles & bowls

Something to snuggle in.....

Whether indoors or out rabbits need hay..... & somewhere to keep it other than on the living room floor.....

Mangers

Natural willow baskets

..... hanging garden basket?

Oh.... & toys!.... rabbits like to play too!

Something to toss.....

Sisal carrot/parsnip

vine ball

grassy ball

Something to chew (other than the furniture)...

Natural willow rings, twigs & baskets. Seagrass & split Willow mats are a great favourite. Apple branches, pine cones..... the list is endless!

Places to hide & run through..... tunnels, tubes,  
grassy hideouts.....

This is just a very small sample of what is available to purchase for your rabbit.

It isn't necessary to spend a fortune though, the humble cardboard box can provide hours of entertainment. Cut several doors/windows for access & fill with hay or shredded paper.

Save toilet & kitchen roll cardboard centres & fill with hay.

Cardboard egg boxes with a treat inside side won't stay closed for long either!

And if you've ever wondered what to do with last year's telephone directory.... give it to your bunny.... he'll show you 😊
